Medieval Weddings

The ideal medieval wedding would take place in a real medieval castle, surrounded by all the trappings of a genuine historic room. . . but hiring a medieval castle costs a fortune!

Thankfully there is a way that you can have the feel of a genuine historic room in any venue that you wish, from hotel function room to a hired marquee and at a fraction of the cost of hiring a castle.

Guinevere's Dream Events specialise in adding a touch of the baronial hall to any room from our stock of lavish items recreating that particular medieval feel, along with a medieval master of ceremonies and a wide range of medieval entertainment on offer.

We can also use your family cote of arms to produce his, hers and joint heraldic banners to stand behind the thrones of the top table; custom place name cards, seating plan and table name holders to add a touch of medieval splendour.

Everything that you could possibly require for your medieval wedding banquet at the venue of your choice can be supplied or sourced by us, hog roasts, medieval style pottery, medieval musicians, full medieval re-enactment groups,

jugglers and fools, fire-eaters, stilt-walkers, mummers plays, have-a-go archery, falconry displays, knights in shining armour, we can even find the venue.

Guinevere's Dream Events also offer a touch of romance in the form of an ancient pre-Christian joining ceremony or hand-fasting. The happy couple are bound at the wrist with a simple cord while their guests are asked to help and guide them through the life together. The couple then drink to seal their contract from an engraved pewter chalice which they keep to remind them of the occasion.

Through our historic costume company we can supply you with your wedding clothes, bride, groom, bridesmaids, pageboys, bestmen, groomsmen, parents and guests all made to measure and with a special discount for clients of Guinevere's Dream Events. We also have a range of servant's outfits for hire by serving staff.

Your wedding day is very important to you, a day that you and your guests will never forget, a day full of excitement and romance, a day unlike any other, a day that you will want to enjoy to the full.

Your wedding day is very important to us too, which is why we want you to have the day of your dreams.

Guinever's Dream Events believe in customising each of our medieval wedding events to best fit the requirements of each of our clients; therefore, before we are able to give an estimate of the cost of a wedding event we will need to know as much about your wedding plans as possible. Where in the country will your wedding take place? How many guests? What entertainment do you require?

For further information, or if you wish to make an appointment with us to discuss your requirements in a no obligation consultation please telephone Gail and John on 01709 866519, or email: info@guineveresdreamevents.co.uk
